

FRANCUSKI MIROSLAV

Experience

Front-end web developer/Wordpress at **Prognosis** ~ 2016.
Working on premium Themes for Wordpress.

Front-end web developer/Wordpress at **Leads Fox** ~ 2017.
Working on premium themes for Wordpress and some custom designs.

Front-end web developer freelance contract work August 2018. ~ August 2021.
Mostly working in closed group of few people with whom I share my work with and we complement each other with specific tasks. Started only with simple boring tasks in web design, only to get more knowledge in developing websites as a whole process.

Front-end web developer internship at **Vegalt** ~ October 2018.
Learned how to make pixel-perfect web pages from given design.

Front-end web developer apprenticeship at **FTN Informatika FED-22** ~ April 2019. – July 2019.
With emphasis on JavaScript and it's framework Angular2+.

Front-end developer at **Droxix** September 2021. - September 2022.
Worked on a **GASAG Project** with a great **Droxix** team from Bulgaria build around 2 main BE guys, 1 main senior FE and 1 QA when I joined. It is a big project with 12 different websites built all around Sitecore and for content team to have as much as freedom as they could. Had to adapt quickly and learn lots of new things on a fly but mostly importantly and interestingly to me was Vue.js

Front-end developer at **Franc eMedia** September 2022. - ongoing

About Me

Self-taught web developer with a flair for creating elegant solutions in the least amount of time. I feel most comfortable when I am coding from scratch and have all the freedom where my creativity can stand out. Can work alone or in a group, very adaptive and always looking to expand my knowledge.
